

Cookie Policy

We are Atlantic Money Ltd (“we”, “us”, “our” or “Atlantic Money”) and we are registered with the UK data protection authority (ICO reference ZA877805).

Introduction

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

By continuing to browse the site, you are agreeing to our use of cookies.

We will not use cookies to collect personally identifiable information about you.

Cookie Types

We use the following types of cookies:

- Strictly necessary cookies: these are cookies that are required for our website to function.
- Analytical/performance cookies: these are cookies that allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us improve our website.
- Functionality cookies: these are cookies that we use to recognise you when you return to our website. This enables us to personalise our content for you and remember your preferences (for example, your choice of language or region).
- Targeting cookies: these cookies record your visit to our website, the pages you have visited and the links you have followed. We may use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

Cookie Names

You can find more information about the individual cookies we use and the purposes for which we use them as follows:

- Google Analytics: these cookies are used to collect information about how visitors use our website. We use the information to compile reports and to help us improve our website. The cookies collect information in an anonymous form, including the number of visitors to our website, where visitors have come to the website from and the pages they visited. Google's privacy policy is available [here](#).
- Google RECAPTCHA: these are used to protect you and our systems from cyber attacks, spam and abuse. You acknowledge and understand that the reCAPTCHA API works by collecting hardware and software information, such as device and application data, and sending this data to Google for analysis. The information collected in connection with your use of the service will be used for improving reCAPTCHA and for general security purposes. It will not be used for personalised advertising by Google. You can find further details [here](#).
- Mixpanel: these cookies are set by Mixpanel Analytics and help us understand how people are using the site so we can improve the experience. Mixpanel's privacy policy is available [here](#).

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.

Cookie Control

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or part of our site.

Browser operators provide help pages relating to cookie management in their products. Please see below for more information.
